Future Student Application Packet

Congratulations on considering this outstanding professional technical school for your high school education! This application packet includes: steps in the application process, important dates to remember, course outline for graduation requirements, and the actual application pages. The staff at Meridian Technical Charter High School (MTCHS) is happy to answer any questions you may have about our school and the curriculum.

Application Process

- Complete Application for Admission form including questions
- Have your current or previous art, computer, math, science, or technology teacher complete and return the Teacher Recommendation form to MTCHS
- Attach a copy of your most recent ISAT scores
- Submit completed application including all supporting documents

Important Dates

- Tech-X-Perience will be held at MTCHS on November 17, 2009 from 6:30-8:30 pm
- 8th Grade Information Night will be held at MTCHS on January 12, 2010, 7:00-8:30 pm
- **Application and supporting documents must be received at MTCHS by February 5, 2010, by 2:30 pm to be eligible for the February 11, 2010 lottery drawing**
- Lottery drawing will be held at Meridian Joint School District No. 2 administration office on February 11, 2010
- Lottery results will be posted on MTCHS's website and placed on the front door of the school by the end of the day on February 11, 2010
- Notification letters will be sent through US Mail within five business days of the lottery
- Students drawn, but not accepted, are placed on the waiting list in the order they were drawn in the lottery
- Vacancies will be filled as per the waiting list

Meridian Technical Charter High School is committed to the policy that all persons will have equal access to its programs, facilities, and employment without regard to race, color, religion, national origin, sex, age, disability, or sexual orientation.

In order to graduate, students will be responsible for completing courses as outlined below.

Graduation Requirements (57 Credits Required)			
All classes must have a minimum of a "C" or 74%. Transferring student transcripts will be evaluated for equivalent courses. Students transferring from another high school will be required to complete any missing courses and courses for which they did not earn a "C" or higher.			
Freshman 13 Credits <ul style="list-style-type: none"> • English 1 (2) • Math (2) <ul style="list-style-type: none"> ○ Algebra 1 <i>or</i> ○ Geometry - Honors <i>or</i> ○ Algebra 2 – Honors • Earth Science (2) • Spanish 1 (2) • Computing and Internet Core (2) • School to Work (1) • Technology Tools (1) • Tutorial (1) 	Sophomore 13 Credits <ul style="list-style-type: none"> • English 2 (2) • Math (2) <ul style="list-style-type: none"> ○ Geometry <i>or</i> ○ Algebra 2 - Honors <i>or</i> ○ Pre-Calculus - Honors • Biology (2) • US History (2) • Technology Pathway (2) <ul style="list-style-type: none"> ○ Design and Development ○ Hardware and Electronics • Health (1) • Spanish (2)
