7 Policy Title Resource Conservation Code No. 705.10

8  
9  
10 It shall be the policy of the Board of Education to encourage and support a resource  
11 conservation and education program intended to substantially lower the consumption of  
12 electricity, natural gas, propane, and water within the district. It shall be the  
13 responsibility of each district employee to actively participate in conservation efforts in  
14 order to achieve the district's goals of reducing consumption, while continuing to comply  
15 with applicable codes and standards. All efforts shall be made to maintain programs for  
16 the benefit of students and to continue to provide productive and comfortable facilities for  
17 scheduled class hours and approved before- and after-school activities. It shall be the  
18 responsibility of the district's administrators, and a designated district Resource  
19 Conservation Manager, to implement, direct, monitor, and evaluate the district's  
20 resource conservation efforts

21  
22 The status of the program will be reported to the board of trustees regularly.
